

You Can't Always Get What You Want

You think you play the chief part in life
Your wish is command
And if someone doesn't obey
You think you're lost in the sand

You always feel insulted
If one doesn't agree to you
And you think you're cheated by life
If not all your dreams come true

Hey spoiled child, you are not right

You can't, you can't always get what you want
You can't, you can't always get what you want
You can't, you can't always get what you want
You can't, you can't always get what you want

Life is not always a dream
You must learn to lose
Heights and depths or a life that's not true
You're the one to choose

You've to learn that there are others, too
For them life's often gray
And at times when you're down
Think of what I say

Hey spoiled child, you are not right

You can't, you can't always get what you want
You can't, you can't always get what you want
You can't, you can't always get what you want
You can't, you can't always get what you want
